Enrollment Requirements for Scientific Diving*

1. Must have a valid recreational diver certification with a major accredited agency
2. Complete a diving physical exam with a certified medical professional **by December 11, 2026,** BEFORE being enrolled in the course. Students will be responsible for any costs that may be affiliated with the medical exam.
3. Pass a swim test (after the semester begins).

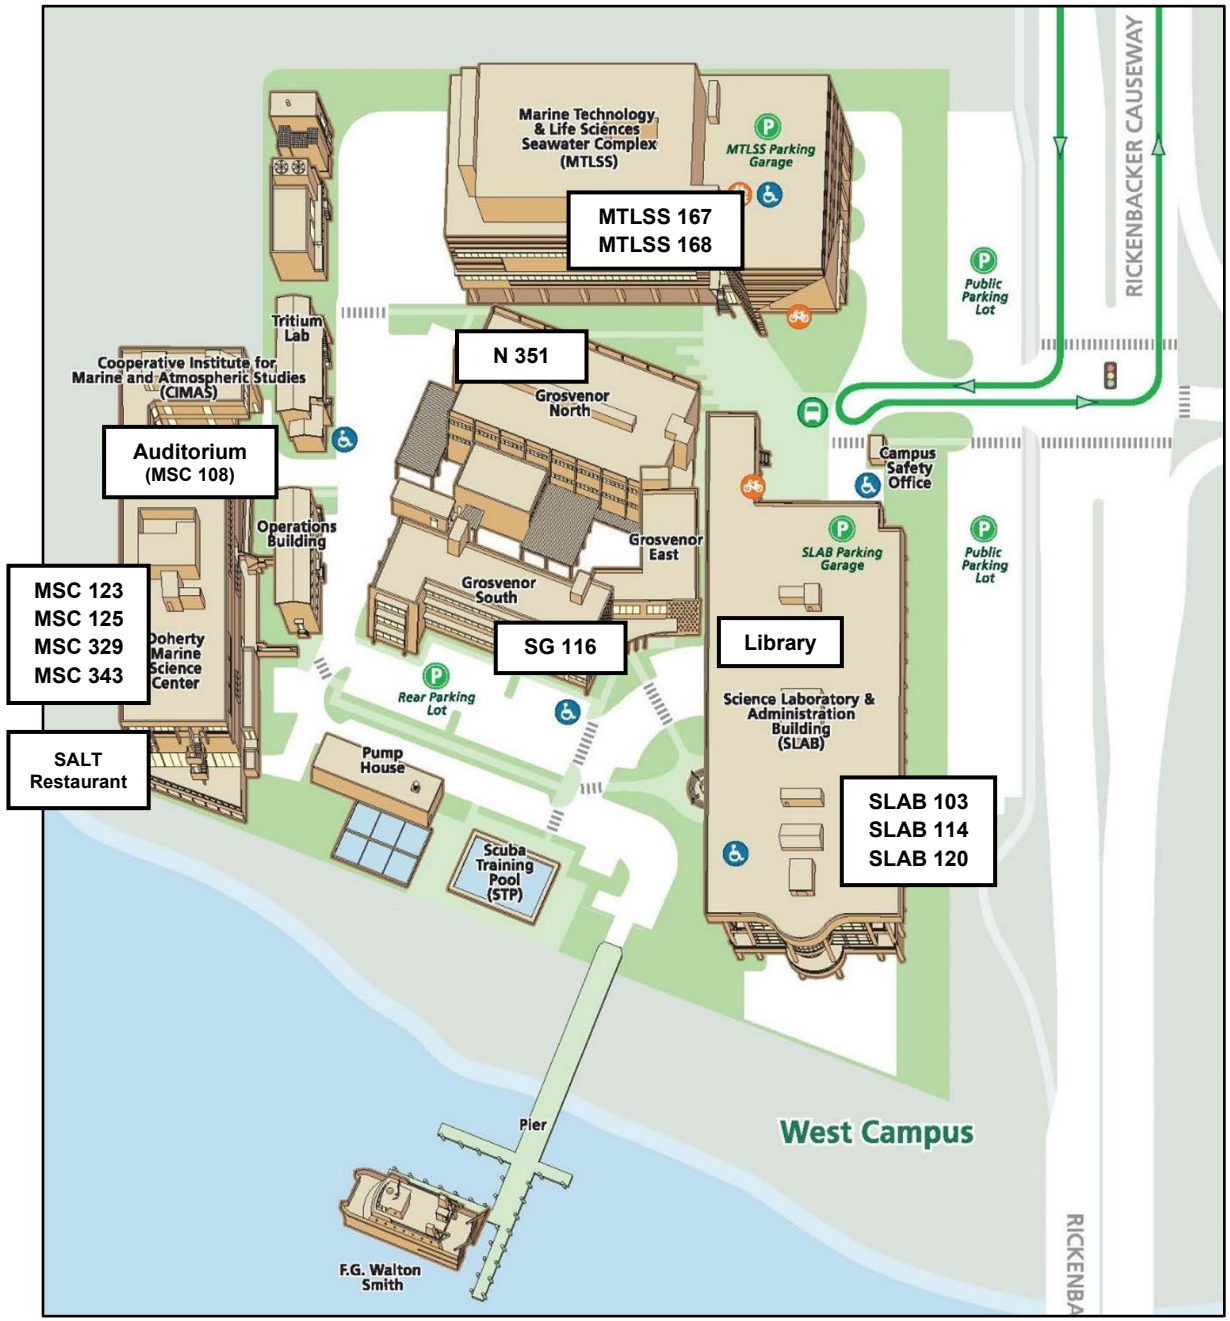

**Certain medical conditions may disqualify a student from scientific diving. Conditions include, for example, asthma, seizures, spontaneous pneumothorax, etc. Please reference the NOAA Diving Medical Standards for additional details and other potential disqualifications. Before enrollment, please contact the UM Diving Safety Office for questions relating to these potential disqualifying medical conditions.*
