## For International Transcripts

Have you attended a non-US academic institution?

YES

Did you earn a degree from the non-US academic institution?

YES

NO

You do not need a transcript evaluation. We will accept unofficial transcripts with your application. Students admitted to the program must submit official copies of their transcripts after being admitted.

NO

For more information <u>click here</u>

You must select a <u>NACES</u> -approved transcript evaluation service to provide an official transcript evaluation with degree awarded and diploma attached, both in the official English translation from the evaluation and in the original language.

Note: If an applicant submits an official transcript evaluation or official transcript before completing their degree, they must provide an updated evaluation and official transcript after their diploma is awarded.
